WENGER HAS BEEN PARTNERING WITH ARCHITECTS AND FACILITY MANAGERS FOR OVER 60 YEARS.

Wenger Corporation is a trusted partner to those creating educational environments. We have consulted on projects ranging from acoustical upgrades to ground-breaking new facilities. Whether you are an architect, facility manager or project manager, we're here to help you find innovative, cost effective solutions to your specific spacial challenges. Maximizing the available space and multiple uses for existing areas are two ways we help you translate your vision into reality. We offer industry experience spanning over 60 years and specialized planning tools to assist you in developing the right space for your needs. Wenger is your best resource for ideas, collaboration and products. Contact a representative today.

CONTINUING EDUCATION AIA

Wenger supports the U.S. Green Building Council and LEED Construction initiatives.

Wenger®
Your Performance Partner

HOW TO USE:

AMERICAN SCHOOL & UNIVERSITY'S BUYERS' GUIDE & INDUSTRY SOURCEBOOK

The 2009-2010 Buyers' Guide & Industry Sourcebook is compiled alphabetically by product classification and by company.

THIS ISSUE CONTAINS:

A comprehensive directory of suppliers and products for your business and facility needs. The product directory, beginning on page 12, lists suppliers of a given product or service. The suppliers' directory, beginning on page 36, provides addresses, phone and fax numbers, contact names, e-mail addresses and websites for manufacturers and suppliers.

•For assistance in finding specific product categories, consult the master alphabetical index on pages 10-11.

•Companies highlighted in yellow are advertisers in this issue. Refer to the ad index on page 82 for ad page numbers.

Listing of education architects. An alphabetical listing of design professionals begins on page 64. The listed firms were featured in *AS&U*'s 2008 Educational Interiors Showcase and/or Architectural Portfolio issues.

Education associations. This listing begins on page 71 and provides information on associations that support the education industry.

ALSO:

- **2009 calendar of major education events (p. 73).**
- **2008 *AS&U* article index (p. 74).**
- **2009 editorial calendar (p. 75).**

If you're not listed in this year's Buyers' Guide, contact AS&U *Directories, (913)967-1314.*

Maxxon Corp

As environmental awareness increases, school officials are demanding high quality and environmentally-friendly building materials. Maxxon® Corporation satisfies both needs with "green" underlayment formulations.

Maxxon's "Green" Underlayments contribute toward earning points for LEED® certified projects and are the ONLY underlayments with GREENGUARD Children & Schools certification. Maxxon's underlayments have leveled school and gym floors worldwide.

UVC Devices

Steril-Aire Inc

Award-winning UVC Emitters™ control mold and reduce the spread of airborne viruses and bacteria, for healthier school environments and reduced absenteeism. The germicidal devices come in sizes and configurations to fit any HVAC system, from small room units to large central air handlers. They also save on energy and maintenance for a healthier bottom line. 800-2STERIL; www.steril-aire.com.

Award-winning UVC Emitters™ control mold and reduce the spread of airborne viruses and bacteria, for healthier school environments and reduced absenteeism. The germicidal devices come in sizes and configurations to fit any HVAC system, from small room units to large central air handlers. They also save on energy and maintenance for a healthier bottom line. 800-2STERIL; www.steril-aire.com.

Know-How: Roofing
Construction Zone: Green/Sustainable Design

JULY

Facilities Upgrade and Retrofit Guide

Strategies to Improve Education Facilities, Save Money and Create Better Learning Environments, including: Windows/Daylighting, Construction, Security/Life Safety, Flooring/Carpeting, Energy, Washrooms/Locker Rooms, Roofing, Athletic/Recreation Facilities and more.

AUGUST

Educational Interiors Showcase: The premier national design competition honoring award-winning school and university interior environments

Facility Planning Guide:
Innovative concepts for planning and designing: Media Centers/Libraries, Classrooms, Science Facilities, Administrative Areas, Cafeterias, Athletic/Recreation Centers, Residence Halls, Multipurpose/ Commons Spaces and other specialized environments.

SEPTEMBER

Cover Story: The *AS&U* 100: The top school districts and colleges, and the facilities they provide to inspire and challenge students

Features: Classroom/Administrative Technology. Transportation. Performance Contracting.
Columns: Green Cleaning. Technology. Facility Planning.
Inside: Green/Sustainability
Know-How: Maintenance
Construction Zone: Physical-Education Facilities
Special Section: School Security

OCTOBER

Cover Story: How to Incorporate Life-Cycle Costing Into Facilities and Operations Decisions

Features: Furniture/Furnishings. Energy. Security/Life Safety.
Columns: Technology. Green Cleaning. Facility Planning.
Inside: Construction
Know-How: Washrooms/Locker Rooms
Construction Zone: Works in Progress
Special Section: Green Schools & Universities

NOVEMBER

Architectural Portfolio: The nationally acclaimed tribute to the most outstanding education architecture and design

Construction Guide:
Strategies and concepts to ensure successful education construction projects.

DECEMBER

The Top 10 issue: The biggest, best and most popular in education facilities and business

Including: Key concepts in education design, planning, construction, operations and management • The Top 10 Lists • Top 10 Products of 2009 ... and more
Special Feature: Green Cleaning Award for Schools & Universities
Special Supplement: 2010 Industry Calendar ■

ACTION® FLOOR OFFERS A CHOICE OF "TOPPINGS"

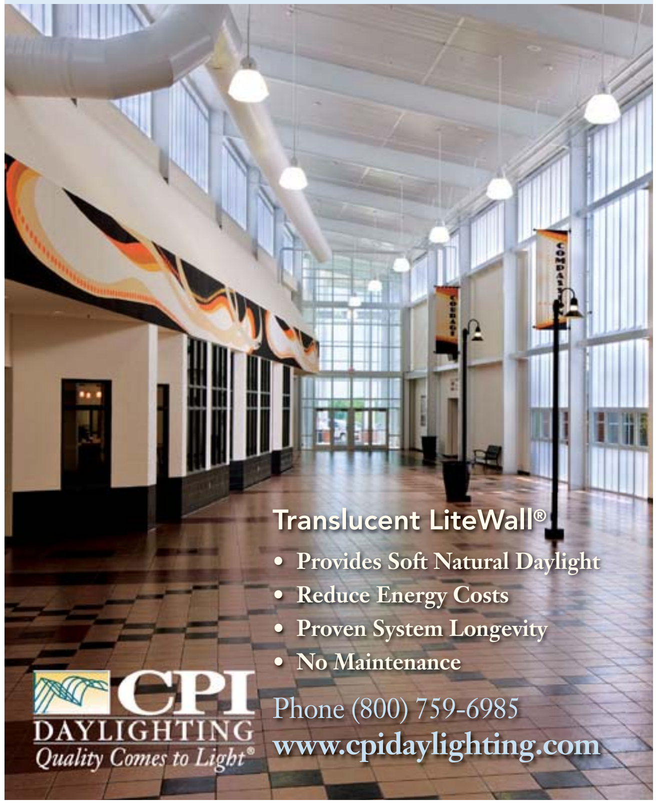

Action Floor Systems, a leading manufacturer of premium athletic floors, provides an option for facilities to combine both a premium American hard maple court surface and water-based, seamless synthetic surface for a surrounding running track. Stunning white maple grown in the north woods of Wisconsin and Michigan tops a comprehensive selection of engineered subfloor systems to match specific performance requirements. Action Herculan® polyurethane poured floors feature environmentally friendly solvent-free materials throughout.

For more information, visit **www.actionfloors.com** or contact Action Floor Systems, 4781 Highway 51 N., Mercer, WI 54547-9708 USA, 800.746.3512, e-mail: **info@actionfloors.com**

www.actionfloors.com

Action Floor Systems is a leading manufacturer and single source supplier of premium hardwood maple sports floors and synthetic multipurpose surfaces. Visit our Web site for more information on our variety of high-performance athletic floor systems.

www.bradleycorp.com

BRADLEY'S NEW ADJUSTABLE SPEED HAND DRYER FITS ANY APPLICATION

The Aerix ™ hand dryer from Bradley is the first and only adjustable speed hand dryer in the U.S. Multiple speeds allow for fast drying in school settings – hands can dry in as little as 10 seconds. Call (800) Bradley or visit http://www.bradleycorp.com.

www.ceia-usa.com

For over 35 years, CEIA-USA has pioneered Metal Detection Technology. The web site showcases CEIA's wide range of walk-through, portable and hand-held metal detectors. An Application Section helps you select the CEIA Metal Detector that best meets your security requirements.

www.cpidaylighting.com

CPI pioneered polycarbonate translucent panel systems for architectural use - developing standing seam translucent systems, hurricane endurance designs and "Class A" fire-resistant systems. CPI's newest innovation is ControLite®, an intelligent, self-adjusting, dynamic daylighting system that manages shading and sunlight transmission.

www.everproducts.com

Visit everproducts.com to order a free sample of EverWhite whiteboards. The unique surface cannot be penetrated by dry erase or permanent marker ink, so there is never discoloration, ghosting, or staining. And, since harsh cleaners aren't necessary, classrooms stay free of harmful vapors A whiteboard that actually stays white? Genius!

www.greenheck.com

Greenheck, the worldwide leader in manufacturing quality air movement and control products, offers the most comprehensive line of ventilation equipment available. Greenheck offers educational facilities complete integrated ventilation systems that provide cost-saving installation, energy efficiency and quiet operation in classrooms, labs, kitchens, gymnasiums, and pools.

For more information, visit

www.greenheck.com

www.hustonandcompany.com

For twenty years, Huston & Company has been crafting fine custom furniture for many of the nation's most prestigious academic institutions and libraries. We stand behind the integrity of our work. Each piece of Huston furniture will last for generations, while retaining its beauty, warmth and functionality.

www.majorskylights.com

Major Industries is your one-stop source for energy-saving daylighting solutions! Major has been manufacturing quality daylighting products for nearly thirty years and offers a complete line of translucent, glass, polycarbonate and acrylic skylights as well as translucent curtain-wall systems. With the lowest failure rates in the industry, we've earned the trust of leading architects, engineers and other specifiers.

www.mohawkgreenworks.com

Mohawk Industries is a firm believer in sustainability that works - for its company, its customers and the environment. And with the launch of its new Web site, MohawkGreenworks.com, the flooring industry's largest recycler is making it easier than ever to embrace environmental stewardship. The eco-savvy site is dedicated to highlighting its environmental efforts and social responsibility initiatives - bringing all of the company's green projects together on a single platform called "Greenworks."

www.wagnercompanies.com

Beautiful Railings Begin with The Wagner Companies.

The Wagner Companies manufactures and stocks standard products for metal fabricators and also produces custom products — primarily for handrails.

Comprised of three product divisions — Architectural Catalog, Architectural Custom and Wagner Industrial — Wagner is the only source you will ever need for custom and stock railing components.

www.wengercorp.com

For six decades, Wenger has been designing and manufacturing products that are innovative, functional and durable - products that provide solutions based on listening carefully to the needs of our customers. Today, Wenger offers more than 600 different products that solve problems for all types of customers by saving time, reducing labor, improving performance, enhancing appearance and maintaining trouble-free operation for a long, long time. Wenger also takes pride in offering technical support and expert consultation for new construction and renovation projects, as well as existing facilities.
